**Our Standards are High.
Are You Up to the Challenge?**

WE'RE SERIOUS when we say we're looking for the "next generation of excellence." For years now, Sigma Xi Epsilon has accepted only the best men from the St. Joseph's College community — men who are capable of living the values of honesty, integrity, and dedication every day of their lives. It's what we do, and we don't want to tarnish our reputation. Sigma men are going places. Want to come along for the ride of your life? For men of excellence, the choice is clear: *Rush Sigma Xi Epsilon this spring.*
