SMUGGLERS' NOTCH, VERMONT JANUARY 7-12, 2007

# Welcome

Dear Friend,

We're glad you chose to be a part of the 2007 trip to Smugglers' Notch, Vermont! You are a member of an elite group of 97 vacationers in the St. Joseph's College group who will be taking the slopes of Smuggs by storm this week. And we're sure this will be a week to remember.

As chairpersons of the trip, we coordinated the reservation of your accommodations, transportation, and ski lift tickets. While on the trip, we are here to help make your stay a pleasant and memorable one. However, please remember that each room in our group is autonomous — your room takes care of itself and is considered, as far as Smugglers' is concerned, a separate entity from the other rooms. If there is any kind of problem regarding your room, one of the chairpersons will be contacted, but only those people staying in that room will be impacted. You are responsible for looking out for yourself and your roommates. We are confident everything will go smoothly, but if you have any questions or concerns, feel free to contact one of us at the numbers provided.

Each room will be supplied with a packet of pertinent information upon arrival at Smuggs, so be sure to make use of it. Also, check out the map on the back of this pamphlet — in case you find yourself lost amid the snow one evening, you can use it to find your way back home. **And be sure to be on the bus again by 9:30 a.m. on Friday!**

Stay safe, be smart, take pictures, catch up with old friends and meet some new ones — but most of all, **have fun.**
