TODAY'S MESSAGE

Things I Wish Jesus Never Said

Did you ever read the words of Jesus and think, "What's the deal with that?" Sometimes His words, at face value, can seem confusing, paradoxical and even frustrating. Join us as we take a look into some of those things and if we're honest, at things we wish Jesus never said.

new to true north?

First off, *welcome*. We're glad you're here, and we hope you enjoy your time with us. Here's what to expect today:

1

Relax.

True North is a comfortable, pressure-free environment. You're invited to participate as much as you'd like, or just sit back and take it all in. Morning services last about an hour, evening services a little longer.

Our services may be a little different from what you might expect. We often use video clips, drama and songs you might hear on the radio to convey God's timeless truth.

We will take an offering after the sermon. Please don't feel any pressure to give, especially if you're just visiting.

Restrooms and children's areas are downstairs.

2

Drop off the kids.

We offer high-energy Sunday-morning programs for kids, from babies through fifth graders. Check out the details to the right.

3

Fill in the card.

Please take a moment to fill in the Connection Card in your bulletin. Drop it in the offering following the message or hand it in at the Info Table. Thanks!

4

Pick up a free gift.

Stop by the Info Table on your way out for a free gift bag. **We hope to see you next week!**
